

# The Center at Debs Park

The Audubon Center at Debs Park, AKA **The Center**, is an environmental community hub in the heart of Northeast Los Angeles. Nestled within Ernest R. Debs Regional Park near DTLA, this welcoming outdoor venue inspires a love of nature & provides a beautiful backdrop for your wedding day for you & your guests to enjoy. To ensure a smooth & fun wedding celebration, we have taken the guess work out of booking a great vendor team and created an all inclusive package that covers most of your needs!
